Thanks Ceiran. I would also like to speak with you today about something discussed in the large meeting yesterday. I understand reference was made to the OPG nuclear rate-setting process, and I would like to better understand the relevance of that to the proposed legislation.

Would you have some time today to discuss?

Dan

Thanks, Dan – please consult this version of the draft and delete the one I just sent. We will do our best to have the right people available tomorrow if need be.
