Hi John. We just have not had time to get to this, as the other more urgent regs have not yet landed, and I think the regulation drafting on this one is not ready anyway, so can we perhaps say we will get to it as soon as we can, given other priorities?

Mary Anne:

I know this item will come up in tomorrow update meeting with Serge. How do you think we should to respond as to the status of this item.
 Is there anything further we can provide to assist your group in the assessment.

Thanks

John

Hi John, Mary-Anne,

In terms of timing, I hear from our lawyers that we will need to land anything to be included in regulation, particularly as it pertains to OEB oversight, in the next week or so. Does that align with your expectations?

Thanks,
 Scott

Mary Anne:

We have started working on developing a framework for establishing the management fees to be charged to the Trust. Attached is a draft outlining our initial thoughts.
 Let me know if you would like to have a call or meeting at our office to discuss further.

Thanks

John
