Will do. We didn't send any updates last week because we met with the DM and MO on Thursday afternoon.

Thanks, Donna

Great.

Also please note to send the OESP application intake update to me this week, I didn't receive one for last week. Thanks!

Hi Inayat. At-home kidney dialysis will be added as of January 1st. No other medical devices contemplated at this point.

Thanks, Donna

Hi Donna,

I received an inquiry from the Ministry of Health and Long-term care about OESP re: medical devices. I am wondering if you have a status update on where things are in terms of announcing and implementing the home dialysis machines as qualifying for a higher level of OESP? Are any other medical devices being contemplated at this point as well?

Happy to discuss.

Thanks!

Inayat
