Hi James,

Many thanks for providing the document and an opportunity to review and comment. We are looking at it, but I might as well tell you now that it is unlikely we will be able to provide comments by end of day tomorrow. However, we are aiming for Friday.

Confidential/Solicitor & Client Privileged

June 15, 2017

Good day, Martine. Please find attached a "consultation draft" version of the proposed General Regulation, which (if approved) would be made under the *Ontario Fair Hydro Plan Act, 2017*.

Please do weigh in on the matters of primary interest to the OEB and, if possible, could we have some of your comments back by end of day Thursday to keep the drafting moving?

Thank you, and best regards.

James
