Hi James,

I was going to send you a note about this, but you beat me to it. Unfortunately, we haven't been able to make as much progress on this yet as I had originally hoped. I was hoping to be able to send you something on the USMP and CEA sections over the weekend, but the item on OPG fees not likely until Monday. I might be able to provide our comments on the USMP section by mid-day tomorrow if that helps.

My apologies for the delay.

Martine

Hi, Martine. We are hoping to get your comments in by the end-of-day today so that we can provide our instructions mindful of those comments as early as possible tomorrow (Saturday). Does that timing seem workable to you and your colleagues at the OEB ?

Best regards,
 James

Hi James,

Many thanks for providing the document and an opportunity to review and comment. We are looking at it, but I might as well tell you now that it is unlikely we will be able to provide comments by end of day tomorrow. However, we are aiming for Friday.

Martine

Confidential/Solicitor & Client Privileged

June 15, 2017

Good day, Martine. Please find attached a "consultation draft" version of the proposed General Regulation, which (if approved) would be made under the *Ontario Fair Hydro Plan Act, 2017*.

Please do weigh in on the matters of primary interest to the OEB and, if possible, could we have some of your comments back by end of day Thursday to keep the drafting moving?

Thank you, and best regards.

James
