Subject: Connecting you with our communications lead

As per our discussion the other day, I am connecting you (by way of this e-mail) to Wendy Seed who is our communications lead for OESP, amongst other things.

Rather than me trying to find copies of all the communications collateral that has been prepared for OESP, I thought Wendy could arrange for a discussion with yourselves and your communications team to go through what is available. She knows your comms director (Garth) so that should make things easier.

Thanks, Donna.
