Hi Ted and Jane,

Now that the OEB's had time to weigh in on our draft regulations, I wanted to connect and ensure you're ok to walk the DRP LDCs through the process and timelines for setting the maximum monthly charge at our meeting on Thursday. Would you be able to put a few slides together? I think it would be really beneficial for the LDCs to hear what's going to be behind the order that goes on the 22nd (like calculation of the fixed rates, etc...).

I'll set up some time Wednesday for us to connect, but feel free to give me a call in advance if you want to discuss what to include.

Thanks,

Mike
