Hi Mark,

See attached comments. OEB has limited its review to slides 13 – 21, areas within our mandate. There were a few hygiene matters on other slides, as and where noted, but edits/comments to those other slides should not be construed as a review for accuracy of those other slides which are not strictly within our mandate.

We'll advise later about our staff that will attend the meeting on November 15 with Global. Please send on particulars for that so we can organize internally. Call me if you have any questions.

Warm regards,
 Vince

Hi Vince – if you're able to send comments by tomorrow morning that would be alright. As I understand it, Minister's Office would like the reporter (Shirley Engel) to have access to agency reps at the briefing.

Hi Mark,

If you could loop back if deadline is hard/otherwise for eod today, that would be great; I think tomorrow a.m. would be doable for vetting comments from our end. Hoping to get direction later this aft on our comments in any case, and feel our comments would be useful.

Whether agency staff are required would also help us have the necessary staff prepped and on-hand for you if needed.

As you've suggested, we'll wait and see if a call on this is necessary. I've looped in Nancy, our incoming Supply & Infra manager as well.

Thanks,
Vince
