Hey Andrew,
 Maybe we should have a quick call to discuss what you need. Another department within the IESO may have this data (but I think it would be kW only).

Hi, Phil/Kausar/James.

I have a very quick question for you: do you have any program performance data for the ICI (i.e., kW/kWh savings)?

Reason being: we're preparing ourselves for the May RPP rate setting process. As I'm sure you know, ICI could impact industrial demand which in-turn could impact the amount/percentage of the GA each customer class is responsible for covering.

I have a suspicion you don't have any completed projects as of yet but thought I'd check.

Thanks a lot,
 Andrew
