Hi Shayma. This time should be okay, I have one request though. When scheduling meetings that involve travel (either up here or down to there), can we please schedule at 1:30 instead of 1:00? I very often have meetings that go past their noon end time and if I need to be down there for 1:00 I am unable to grab something to eat. I don't need a lot of time, just a little.

I will check with our counsel when he is back.
