David, we could discuss any time between 1:30 and 3:00 this afternoon. We are still in the process of reviewing it and our thoughts likely won't be fully formed by then, but we'll do our best.

Hi Ian – will you be in a position to discuss the RRRP regulation this afternoon? In the interest of time it may be a good idea to include our respective clients on a possible call. Please let me know.

Thanks

Hi David,

My colleague Ian Richler (cc'd on this email) will be taking the lead on this, and I will try and stay in the loop as best I can although I will need to focus my efforts on the Part II regs as a matter of priority.

I would imagine that Ian will need to discuss this draft with our client. I am going to leave it to him to coordinate that and to get back to you on timing.

Martine

Hi Martine – hope you're well. Attached is a draft of the RRRP amending regulation. I was hoping to discuss this first draft with you first before sharing additional with others...ie. IESO and HONI.

Let me know who will be reviewing. Ideally, it was be great to discuss OEB comments tomorrow.

Thanks,
