Hi Brett – welcome back. I am going on to a call with MCSS at 11:30 but am free after that. Was supposed to be out at the EDA on another project this afternoon but too many things came up that need to be handled today so I'm bailing. My staff will be able to handle it.

Want me to try and call you when I am done with MCSS?

Thanks, Donna

Donna,

I just getting back into the thick of it and was hoping to touch base on next wave communications – do you have some time before lunch or later this afternoon?
