Hi there. It's been a bit of a week for me!!

Any idea when the Change Request might get approved/signed at your end? I think our CAC folks want paperwork in place before we meet to discuss next steps and scheduling, as they have a lot on their plate. I also need to get signatures here from our director to proceed. Once that's in place we can set up the meeting.

Good morning. Our CAC folks have confirmed there is no change to the estimate. We do need to regroup in terms of when the change and related testing can be scheduled.

Have a great weekend.

As promised, attached is the Change Request that was ready for signature back in February when the other direction came down regarding the Tariff Code changes.

Just to reconfirm our next steps:

1. Kathy is reaching out to MOF's CAC contacts to confirm that there is no change to the estimate given the passage of time. If no changes, Annette can proceed to get approval.
2. Annette will reach out to appropriate contacts at OEB.
3. We'll regroup on timing in the coming weeks given other implementations underway at MOF.

If I missed anything, let me know.

Thanks!
