Keley,

The people who would attend that meeting are also working on the implementation of today's legislation, the OPG regulation and some work for AT on how rate mitigation would roll into RPP. All of which is to be completed by Friday.

This meeting can only occur if it is by telephone as opposed to in person. The earliest we could be on the phone is 4.30pm.

Neil

Most of the same team required for Rate Mitigation is working to bring about the implementation the new legislation passed this morning.

Let me see what I can do. Give me a few minutes.

Francesca,

By phone or in person?

Do you know the topic so I can see when the appropriate people are available?
