Subject: RUSH - OESP Critical Path for Approval
Importance: High

Good afternoon,

Attached for your approval is the proposed critical path for increasing SA client uptake in OESP. The deck incorporates feedback received from your respective areas. As the deck will be used to brief MO staff on Friday, Director approvals are needed this afternoon in order to send to the ADMO by end of day, and to the DMO tomorrow morning.

Thanks to all for your support to date on this initiative.

Thanks,
 Jeff
