We are averaging about 600 applications received per weekday which is higher than previous weeks when the communications were not in field. It is, however, lower than our initial projections of 900 per weekday during periods when the communications campaign is active. As noted last week, since we received higher than projected numbers in the summer, our overall year-end projection is still looking good.

Applications Submitted	234,312
First Nations	7,993
Métis	2,538
First Nations & Métis	213
 Energy Intensive Applications	 96,568
 Consent forms received requiring a consent form)	 170,458 (78% of AIV and AAIV applications
 Accepted Communications sent	 145,655
 Declined Communications sent	 16,094
 Contact Centre Calls	 347,140

I will be on vacation next week, Andrew Stewart will forward the numbers Friday morning in my place.

Thanks, Donna.
