Rose,

I just received this note from Nathan with attached communiqué they sent to all Chiefs on Sept 9.

Nathan has indicated that London is now going ahead on the 28th and Kenora (actually Fort Francis) on 29th.

I am meeting with the whole team this morning to discuss.

So late last night we confirmed the London session for September 29 in Couchining First Nation close to Fort Francis and London on the 28 at the four points Sheraton.

Revised proposal coming this mornings... I've also copied Amy Lickers whom will be leading the file at our end.

I'm available this afternoon for a call.
