Subject: OESP Application Status at October 20th

This week, we are averaging about 725 applications received per weekday which is higher than previous weeks when the communications were not in the field. It is, however, lower than our initial projections of 900 per weekday during periods when the communications campaign is active. As noted last week, since we received higher than projected numbers in the summer, our overall year-end projection is still on target.

Applications Submitted	238,186
First Nations	8,162
Métis	2,576
First Nations & Métis	219
Energy Intensive Applications	98,202
Consent forms received (consent form)	172,862 (78% of AIV and AAIV applications requiring a consent form)
Accepted Communications sent	147,675
Declined Communications sent	16,366
Contact Centre Calls	351,661
