Subject: Issues planning

Further to our quick chat yesterday , can you msp out May, June and July in terms of what is on the radar (the 90 day what should we be aware of scan). I'd like to review it to start anticipating and planning both coms, issues mgt as well as ensuring operational line of sight...

Things that come to mind (some I am making up just to give you an idea...) April 28 ELK SAA decision

May 1 ... disconnection ban expires

May 1 new OESP credits in effect

May 1 new RPP Rates implemented

May 2 Compliance letter to THESL re free disconnection May 2 Lynne at ctee May 9 FHP Leg is tabled
 Etc

May... ctee hearings on fhp

June ...leg passed

June Regs tabled

June... HONI tx decision released

June...

July 1 RPP rates re set

Etc
