Subject: Annual Report Meeting today ...

Good morning Rose. We are scheduled to meet at 9:30 today with Martha Lynch on the Annual Report (material was sent last week).

With all the FHP/HONI activities going on this week, would you like to move this meeting? I think we can move it to early next week and still be on schedule.

If you do want to move it I wanted to give Martha a heads up so she doesn't make a trip up to our offices.

John
