OUR VISION FOR A CONSUMER-CENTRIC REGULATOR

- We regulate in a manner that focuses on **outcomes valued by consumers**
- Our processes are efficient, effective, **understood and accessible** to both industry and consumers
- Ontario regulated **entities** are among the **most efficient** in North America and beyond
- Consumers have:
 - A **reliable energy supply**, at a reasonable cost
 - The **information** they need to **make choices** regarding energy use
- Consumers **receive value for their energy \$\$\$**
