Waiting for Brian's input on what we discussed

ie p5 conservation under Asset Mgmt  
p8 fixed rates and demand rates

one question for you on continuity:  
P4 header – performance  
P5&6 header – performance and value  
OK?

Otherwise take a look thru.

Speaking points still being modified but I plan to send them to you by 3pm

Brian will bring a hard copy, legal size and 20 pt. font.
