Hi Aleck,

MaryAnne and I reviewed your draft and this looks great. We both agree with your comments re - boosting up the detail a little bit on the proportionate reviews. Also, I know when Rose and I were initially talking about the draft outlines, she liked the idea of addressing the regulatory modernization issues the OEA raised in their LTEP submission. If you can work that in, we will send your next draft to Rose.

Thanks!

Subject: Draft OEA Speech

Here is an outline of the OEA speech for review.

I will leave to you to circulate to Rose and others as appropriate.

In this draft, I have kept introductory niceties to a minimum - particularly given the time limit.

It is currently about 9 minutes or slightly under that.

If I were to add anything it might be to spell out in a bit more detail the proportionate review initiative and perhaps make reference to the recent H1 PO - which I think is an important initiative that should be brought to people's attention more directly.

We might also make reference to the OEA comments re regulatory modernization" in their LTEP submission.

The OEN speech to follow tomorrow.

Happy to discuss by phone.

Regards

Aleck
