Subject: Next Draft of the OEN Speech

I am attaching a further draft of the OEN speech.

By my calculation, it is almost precisely 30 minutes.

If we conclude that we want to shorten it, we could take a scalpel to:

1. the upfront discussion re regulation/public policy overlap (which is an expansion of the same point in the OEA speech)
2. the degree of detail in the summary of "consumer centric" measures
3. the concluding remarks in which we thank folks

You will note that I am suggestion that the speech be delivered with few slides (see notes on pages 15 and 16). If you don't want slides, we will need to rewrite this section. The draft slides will come to you shortly.

I am available at your convenience to discuss.

Regards

Aleck
