Here is the speech in final format. Let me know if you would like me to bring you a hard copy tomorrow morning. I am also attaching the Event Note and Agenda. I should have brought your folder with me on Friday, but in my concern of wanting to ensure everything went well on Friday, I forgot it at my desk. So I would be happy to bring it down for you at 8:00am tomorrow, with your speech included.

Let me know.

Sarah....Can you put this in final format....remove highlights...check page breaks...add title page..remove draft...add check against delivery etc....

Aleck, Viive...can you do a final read through to ensure nothing has been lost or misrepresented with my changes....And a time check ...I think it goes about 2 minutes over...but not sure there is anything I want to drop out....
