Subject: Fw: FINAL VERSION - OEB "BLUEPRINT"
Attachments: FINAL.OEB.BLUEPRINT..docx

Sent from my BlackBerry 10 smartphone on the Rogers network.

Please find attached a final version of the OEB Strategic Blueprint.

This reflects:

1. Feedback from the CAR as appropriate
2. Feedback from the Board (particularly the very helpful comments from Lynne Anderson)
3. Feedback from the OEN Roundtable (particularly the comments by John Todd re proactive versus reactive approaches)
4. Refinements arising from the work on the two speeches.

This version warrants a careful read through. Would be happy to discuss once you have done that.

The areas of change are highlighted in yellow.

Regards

Aleck
