Subject: FN round table

Rose and I are attending a chiefs of Ontario round table Wednesday evening with other agencies. Apparently ministry wants us to do an update on what we are doing on ltep. Ceiran can you give some thought to what we could say?

Ted can you have someone do a note summarizing the measures put in place for FN rates, remotes application and anything else that is in play. Maybe five nations and Watay. Just to use for our own purposes so we aren't caught off guard

Thanks
