Subject: Materials for March 15 SoA
Date: Tuesday, March 13, 2018 3:45:49 PM
Attachments: [Status of Applications Mar15 2018.docx](#)

Hello,

Please find attached material for this Thursday's meeting. The most time sensitive items are the OPG FSM follow up discussion to determine the process to be used, and a status update on AMR which includes a presentation of the results of scorecard items related to the pilots.

Thanks

Ted
