Subject: Response to Report on Metrolinx LRT Infrastructure and Construction Planning

Dear Members of the Standing Committee on Public Accounts,

Further to correspondence between my office and Christopher Tyrell, the Clerk for this committee, I am writing on behalf of the Ministry of Transportation regarding the Standing Committee on Public Accounts report "Metrolinx LRT Infrastructure and Construction Planning".

I am writing to respectfully request a one-week extension (June 24, 2020) for the responses as additional time is required to finalize materials to be submitted to the committee.

Thank you very much for your consideration of this request.

Sincerely,

Shelley Tapp
Deputy Minister of Transportation
