**RE: REQUEST FOR ONTARIO RENAL NETWORK RESPONSE TO SECTION 3.03 OF THE 2019 ANNUAL REPORT OF THE AUDITOR GENERAL**

Dear Mr. Tyrell:

Thank you for your letter of April 28, 2020 requesting an update on Section 3.03 (Chronic Kidney Disease Management) from the Office of the Auditor General of Ontario (OAGO) 2019 Annual Report.

The Ontario Renal Network, part of Ontario Health, is pleased to provide the Standing Committee on Public Accounts (SCOPA) with an overview of the actions and timelines we have developed to address the relevant recommendations in the report. This information was previously shared with the OAGO in November of 2019 and is the same information that is being provided by the Ministry of Health to SCOPA in response to this request.

The Ontario Renal Network will continue work towards addressing the recommendations, in partnership with the Ministry of Health and Trillium Gift of Life Network. Please do not hesitate to contact me should you have any questions in relation to this submission.

Sincerely,

Garth Matheson  
Interim President & CEO
