Subject: Bill 168

To all members of the Standing Committee on Justice Policy

Re: Bill 168

The purpose of this Bill is not about "combating antisemitism."

It is about stifling (shutting down) criticism of the crimes of Israel which include torture, imprisonment without charge, house demolitions, destruction of Palestinian economic infrastructure (e.g. olive trees), etc.

Bill 168 should not be passed and should be withdrawn.
