My Dad was a prior resident in Orchard Villa LTCH in Pickering. He contracted Covid19 and was neglected, was in a four-bed ward room with 3 infected men when he himself negative. Despite us being told he was moved out he was still in same bed and room days later, until we obtained photo, only then was he moved out. By then it was too late.

Would you like to add any other information?

Dad died May3, 2020 with me on the other end of the phone saying my last I LOVE YOU and GOOD BYE with hospital nurse at his side.

I wish to speak and be his voice as I promised him on his death bed, and to get justice for him.
