In consideration of proposed Bill 218 Supporting Ontario's Recovery and Municipal Elections Act, 2020

I, the undersigned, herein affirm comprehensive OBJECTION to the initiatives contained within, as well as, the clandestine manner in which this initiative has been formulated and proposed, in blatant disregard of the due process of Government. Impunity is, in no way, to be understood to be a characteristic of the responsibilities inherent to the important role that both members of Government, as elected administrators, and Care Providers, as assigned agents, presently uphold, as an administrators of Public Good. All Government representatives that are

employed through the deliberate entrustment of public appointment, must, shall, and will be held accountable for decisions made in the course of their Duties, particularly those decisions having broad impact on the well-being of our Community, and; especially those decisions that transgress the explicit conditions of Constitutional Democracy defined within the Constitution of Canada, in particular Sections 2, Fundamental Freedoms, Section 7, Legal Rights, and Section 15 Equality Rights of the Canadian Charter of Rights and Freedoms.

So affirmed:
