To whom it may concern,

I am writing to you today regarding Bill 218, Supporting Ontario's Recovery Act, 2020. This year has been an eye opener regarding how long term care facilities have been operating especially those for profit. It is evident that the care for our elderly is not top priority but profits are. These facilities are focused on shareholders and their bottom line rather than for the care and protection of their customers!

The creation of this bill is more proof of these companies are only looking to protect their finances and wipe their hands of any miss-handling and miss-management.

I ask you stop this bill and fight for the lives of those who have suffered and are suffering in these long term care homes!

This is about the care and livelihood of our families and shame on us to put profits before care!

I had a grandmother, mother and now father in a long term care home and have witnesses myself how these facilities are run.

PLEASE STOP BILL 218!

Sincerely,

Emaneuele Buono
