I am a member of the public, residing at 17-601 Shoreline drive, Mississauga, Ontario, L5B4K6. I heard about the deregulation of acupuncture and TCM. I DO NOT agree with this action and I believe that it is the job of the regulatory colleges and government to protect the public first. Please do not deregulate acupuncturists and TCM, as it will be harmful to the public safety and protection. This decision is shocking and outrageous and brings serious concerns about The Ontario Government and it's Ministry of Trades and Labour.

The CTCMPAO and regulation of TCM and acupuncture serve the interest of public safety and protection. Dissolution of the CTCMPAO and the repealing of the TCM Act will have long-lasting and damaging health and safety of the public.
