Hello Sir/Madam,

I was shocked to hear that Bill 88 schedule 5 which revoking Traditional Chinese Medicine Act 2006 and moving TCM into public domain, this is a huge threat to public health. I can't image that if no regulations for acupuncture, how can anyone dare to go for acupuncture treatment anymore? I have been benefiting from acupuncture with my knee pain and many of my friends and family have seeking the treatment from TCM.

For the safety of the public, please take very seriously about it and remove schedule 5 from Bill 88.

Sincerely,

Li Liu
