My name is Wenge Zhang, I am a registered Acupuncturist and TCMP in Ontario. I have been practicing TCM in Ontario for more than 12 years with over patient visits per year.

Me and all my patients were so shocked by the news of revoking Traditional Chinese Medicine Act 2006 and moving TCM into public domain. This is a huge threat to public health.

In unskilled hands, acupuncture can cause life-threatening injuries like pneumothorax and even death. The introduction of TCM Act 2006 was definitely on the right track to keep TCM safe and public safe. Through the weekend of Mar 5, and 6, all my patients say "NO" to Bill 88, Schedule 5. (I attached the signed petition)

I would request that you take a serious consideration and remove section 5 from Bill 88, 2022 for the goodness and wellbeing of all Ontarians. Please find attached letter and petition for more detailed expression on this matter.

Your attention is greatly appreciated!

Wenge Zhang
