My name is Zhao Cheng, I'm registered Acupuncture and TCMP in Ontario. I have been Practising TCM in Toronto over 20 years, most of patients are residents in your riding. I was so shocked by the news of revoking traditional Chinese medicine Act 2006 and moving TCM into public domain. this is a huge threat to public health.

I would request that you take a serious consideration and remove section 5 from Bill 88,2022. Please find attachment letter and petition for more detailed expression on this matter.
