Choose an application

Which application would you like to submit?

Submit material only

Add your information

Are you submitting material as an individual or on behalf of an organization?

I am submitting material as an individual

Full name

Drew Anderson

Paste submission

I am opposed to the deregulation of acupuncture because the quality of the service offered will degenerate and a standard of care will not be maintained. As a result of deregulation professional quality service will not be encouraged and those not meeting standards will subsequently obscure the reputation of qualified practitioners and the service in general.
