You emailed back about website information and then I followed up with a question about the ads (attached). As long as we're good...I'm happy! Booking newspaper ad space and planning website information now.

Thanks,
Trina

I thought that we already approved the newspaper ads and updates to your website...

I'm trying to confirm the Sunday train idea with MO.

Thanks.

Janice,

Are we going to be in a position to move on our ads, website information and promotion of the new service this week? I'm getting a lot of push from internal business units as well as the City of Barrie to be able to tell people about the service.

Also, should I continue to plan for the Sunday train? Can you confirm that is something the MO is pursuing?

Thanks,
Trina
