FYI

I was not in the loop with the feedback that was sent to Due North so cannot provide any detail on that – I just thought that you may want to have a look at the revised plan.

I found the copy below (page 3) a little awkward but not sure if this is the standard?

Step 3 – Tap your card onto a PRESTO reader when boarding, and you are automatically deducted the lowest possible amount from your remaining balance.

Good afternoon, Garrick.

Jessica and I are out a shoot and her email isn't connecting, so I thought I'd forward the attached to you. Please review and let us know if we've addressed all of your feedback.

Thanks so much, and have a great weekend.

Rob.
