Subject: Permission to film: Friday, May 18, 2012 - Langstaff GO Station

Hi all,

I've given Due North personnel Matthew Vibert (producer), Greg Horton (cameraman) and a sound person permission to film at Langstaff GO Station on Friday, May 18, 2012 from 2- 5:30 p.m. Due North -- a marketing/advertising company--- is doing a PRESTO video shoot about tapping onto PRESTO. They will shoot within a bus shelter, the overhead crosswalk, and customers inside the station tapping onto the PRESTO machines.

The contact person on site will be Jessica Snook (cell: 647 239 4545) and Rob Nadler (cell: 416 662 0601). Due North is not expected to interview passengers or any GO Transit staff.

I've given Due North the usual safety messages (don't cross the tracks, be aware of bus, train or car traffic, don't aim bright lights at buses, and don't block or hassle our passengers).

Thank you.
