

PUBLIC OPEN HOUSE

WESTON STATION MASTER PLAN CITY OF TORONTO

Metrolinx, an agency of the Province of Ontario, is helping transform the way our region moves by championing and delivering mobility solutions for the Greater Toronto and Hamilton Area (GTHA). As we invest in the future and build stronger transit infrastructure to meet the growing needs of the region, a number of projects are underway, including many involving our GO Transit division. GO service continues to be expanded and improved to provide more choices for travel across the GTHA, meet increasing customer demand and attract more transit users in the future.
