Subject: Update

We submitted our application with nice wording on why we want to be part of the Parade:

Our participation in the Pride parade creates a wonderful opportunity for us to promote the important role that we play in the Greater Toronto and Hamilton Area in terms of transportation, mobility and accessibility to the full diversity of residents from across the region. It also provides us with the opportunity to publicly acknowledge and celebrate the diversity of our staff and convey to everyone who works at Metrolinx, GO, the Air Rail Link and PRESTO that our workplace is inclusive, safe and welcoming.

Our rallying cry and motto will be GO PROUD, building on the GO brand and shouting out our pride. We will showcase our iconic double-decker bus, which many residents may not be familiar with as they are only in service in the western GTHA. It is the same type of bus that tourists would have travelled on in London, England, but GO-branded and in our green and white colours. We will also have a one of our System Safety cruisers and if permitted, one of our new electric vehicles. All vehicles will have special Pride decals. Parade participants will either wear their staff uniform or t-shirts emblazoned with GO PROUD! We aim to have a few super-soakers to entertain the crowds. And of course, we have invited our mascot, GO Bear to join in the festivities.

Since we are not meeting this week, can I ask everyone to send updates, just to Tim and me, and we will recirculate?

I am particularly interested in the Call for Volunteers and the T-shirts.

Cheers!
