Hi Remi

As you are aware, Mike and I participated in the conference call regarding the extra train for the Niagara Falls Tightrope event.

In preparation for this event, the GTCC will prepare the following:

1. Update PINS.
2. Update track allotment document.
3. Update Mileage Chart.
4. Schedule and platform information has been provided to GTCC staff.
5. GTCC will manage late night bus accommodation/service if necessary - 0100 hrs from Niagara Falls and 0200 hrs from USBT.

From our perspective we are ready to GO!

Thank you,
