Subject: June 26th - Public Notice - Vehicle Facility and Western Alignment
Attachments: Eglinton June 26 Public Consultation - Vehicle Facility & Western Alignment.pdf

Hi Dina,

Please review the attached public notice for June 26th and let us know (tomorrow if possible) if you would like any edits.

Assuming the meeting is now cleared with the local councillors and MPP, I'll need to start printing these on Monday afternoon to ensure our friends at Canada Post can deliver it to local residents with 10 days notice. An ad would be placed in the York Guardian on Thursday, June 21st.

The venue shown in the attached (**York Memorial Collegiate**) is specifically booked for an Open House format. We've had successful open houses for both Keele and Caledonia stations here with large attendance (120-150). If for some reason a town hall is demanded, the venue will change to the York Civic Centre Council Chambers (both venues are reserved).

Thank you,
David
