Further to this ad, people will be expecting to see something on the Keele to Jane piece. Can we try and chat today briefly about what we can go out with and whether we can just say frankly that it will be dealt with in a future phase?

Hi Lisa, Meghan,

Not a problem. The changes have been made. With help from Canada Post, area residents will receive a flyer on Monday, June 18 and it will be posted in the York Guardian on June 21st. We have a few hundred area residents and businesses on our e-mail list as well.

Dina,

Please let me know if you can circulate the attached to the Councillors and MPP for forwarding to their lists.

Best.
David

Hi David,

Not sure if we've missed the deadline but we were hoping to make two small changes: 1) Change Mobility Hub Planning to Mobility hub Study 2) Reference this study as being conducted by Metrolinx (just to clarify we are carrying it out, not just funding it).

Thanks in advance,
Meghan
