Subject: Art Train project - Q&A - Draft 1

Hi Stephanie and Nancy,

Here is a first draft of the Q's and A's for the Art Train. Please note there is no answer for the cost of the app. If possible, please provide that answer.

Also, there are two start dates for the launch of the Art Train, and I am not sure which one is correct. For the media advisory, I was told Wed June 27, but the comm plan says Tues June 26. Please correct the wrong one.

If you have other Q's and A's to add, please provide them.

Thank you.
