Latest draft.

Plenty of room to grow or modify the extended piece on MOVE/Art Train with whatever we feel like. And yes, pictures are coming (Andrea, wasn't there a video at one point we wanted to embed?). Meghan says she will have urban freight early tomorrow.

My edits. Please let me see the urban freight piece before it goes. Wondering if in the Brickworks piece (EP version) we should mention that people should look for The Big Move wall in the exhibit to learn more about it?
