I know. I'm on maternity leave...but I did want to share with you our cross-promotional ads with the Shaw Festival in support of Niagara service to NOTL...

...and a blurb we were able to get about cycling to Niagara as well.

Both were featured in the 'The Grid' newspaper - thegridto.com.

And I'm still waiting for the baby. Had a false alarm last night, but nothing yet.

Cheers,
Vasie
